INTEREST

Majdi ZLITNI

COMPUTER SCIENCE STUDENT

I'am currently a 3rd year computer science student at the higher institute of information and communication technologies Borj Cedria. I'am a passion developer, a mature team worker and adaptable to all challenging situations. Able to work well in both, in a team environment as well as using own initiative and adhere to strict deadlines.

EDUCATIONAL HISTORY

Software engineering license in information system
ISTIC Borj Cedria | Sep2020 - current

Computer Science Baccalaureate degree: Good honors
Jun 2019
